Overview

There is no word for it in English – because nothing quite like it has ever before existed. Bearing the unmistakable imprint of legendary hotelier Adrian Zecha, The Setai is an intimate oceanfront resort in the heart of South Beach. Set amid tropical gardens and sparkling pools at the edge of the Atlantic Ocean, The Setai introduces the Asian traditions of simplicity and elegance to South Beach. 131 rooms in total with 86 studio suites and 45 suites, an intimate private spa, three pools and remarkable restaurants and bars. It is located on Collins Ave at 20th street near Miami Beach's thriving cultural district, as well as the nightlife, fine dining, shopping and other South Beach attractions.
